Dear Chair Olson:

Please accept this letter in support of the application of DaVita, Inc. to establish Brighton Park Dialysis, a 16 station dialysis facility located at the southeast quadrant of 47th Street and South California Avenue in Chicago. This new facility will allow residents of my ward access to necessary and critical medical services. We welcome DaVita's significant investment into the community and look forward to its positive impact in our neighborhood.

Should you have any questions, please feel free to contact me to discuss further.

Yours truly,
